

## **BORN AND DIE IN THE TRACES**

Todo los Nortenos  
son nacieron en los guarniciones,  
  
y moriran en los guarniciones.

### Translation:

All Northerners are like Mules :  
  
They're Born in the Traces,  
  
and they'll Die in the Traces.

### What this Means to Me :

Don't be like a Mule and  
  
Work All the Time ...

You Have to Learn to Play.
