

## **ABOUT CHOOSING YOUR RUTS**

People seem to settle down with the type of people they run around with ... both in careers and in marriage.

So don't work for very long in a career that you don't want to spend your life in.

Exception:

It is "OK" to work in a career you won't do "always"  
if it will teach you something very useful.

But if you don't want to spend your life married to a blue collar worker  
and get out of Life that which blue collar workers get from Life,

**DON'T RUN AROUND WITH THEM IN THEIR RUT!**

And if you don't want to go through the Emotional Pain  
of withdrawing from a relationship in a Rut  
that will take you where you don't want to go ...

Then DON'T WASTE TIME  
and go out with them EVEN ONCE

because you may fall in love with a perfectly lovely person who's merely in the  
Wrong Type Rut ...

and it's very unlikely you'll get that person out of that Rut.

**RULE** : ONLY operate in a Rut you find "OK" to spend perhaps the Rest of your

Life in.
