

JACK LONDON'S BELIEF

Jack London Believed ...

“I would rather be ashes than dust!

I would rather that my spark burn out in a brilliant blaze than it should be stifled by dry rot.

I would rather be a superb meteor, every atom of me in magnificent glow, than a sleepy and permanent planet.

The proper function of Man is to Live, not to exist.

I shall not waste my days in trying to prolong them. I shall use my Time.”

Jack London

(1876-1916)
