

PUT THE BALL ON THE OTHER SIDE OF THE NET

In Tennis,

We do not try to

“Win the Game” on every ball,

Our task is only to:

“Put the Ball on the Other Side of the Net,
and let the other Guy see if he can Return it.”

Summary:

Don't try to “Win” on every act,

Sometimes you can Optimize your Opportunity to Win by merely

“Putting the Ball Back in the Other Guy's Court.”
